NARRATIVE:

Charlie Pasillas is a documented gang member and has an extensive adult criminal history that began at the age of 19. His convictions include carrying a loaded firearm in a public place, vehicle theft, evading a peace officer without regard for the safety of others, auto theft with prior convictions, carrying a concealed dagger, possession of a controlled substances, false ID to a peace officer, possession of burglary tools, DUI, grand theft auto, violations of parole, driving with a suspended license and failing to report. He has served multiple state prison terms the longest a 2 year term for vehicle theft with prior convictions. Pasillas was released from state prison to the supervision of the Los Angeles County Probation Department on December 16, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2014 after he absconded from post release community supervision (PRCS). Pasillas qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for auto theft with prior convictions is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
